About
HI, MY NAME IS ANDREW REIFMAN
I'm a graphic designer living in Washington, D.C. I like to make cool and creative designs, regardless of what medium I'm working in.
FACTS ABOUT ME
I am a dual citizen of the USA and Brazil (don't let the pale skin fool you).
Aside from design, my other job is shooting pool.
The amount of random movie knowledge I have would scare you.
To this day, I still buy music on CDs and have never bought an mp3.
I have been told that I have a sweet tooth for chocolate similar to a girl's.
My love for steak will never allow me to become a vegetarian.
